

Pupil School Improvement Plan 2020-2021

(Written by the School Council)

We will continue to plan together all aspects of our school, to ensure that the learning, behaviour and safety of every member of our Bowerham Family continue to be 'Outstanding'.

The children of the School Council, along with the teaching staff, have looked at everything we have achieved and decided how we can continue to reach our full potential next year.

This year's 4 lead areas are:

- **To give our children an even better learning journey that caters for all the changing needs of each year group to help them achieve their 'Bowerham Best' and makes sure we can connect all our learning in to help us understand and remember what we have learnt.**
- **To further support our parents to help their children achieve as well as they can.**
- **To look after our Bowerham Family through the COVID 19 crisis in order to keep us safe, help us learn and give us what we need to reach our potential and achieve.**
