

Frequently Asked Questions: Remote Learning – years 1 - 6

<h3>Showbie</h3>	
<p>What is Showbie used for?</p>	<p>For remote learning For homework To access you child’s reports</p>
<p>What will it look like when my child logs into Showbie?</p>	<p>When your child logs in they will see their year group. When they open this folder they will see a list of folders:</p> 
<p>What does ‘assigned/collected’ mean?</p>	<p>These numbers tell you how many tasks the teacher has uploaded to each folder. ‘Assigned’ is the number of current tasks your child has been set. ‘Collected’ is the number of tasks that have been completed and passed their due date. When a task is set, the teacher adds a due date. Once the due date has passed, the assignment will move into the ‘collected’ section. This is so that the folder does not become too cluttered with old tasks and children know which task is current. In this example, in science, the ‘light and reflection’ task has been completed and the current task is ‘rocks and fossils’.</p> 

<p>What is each folder for?</p>		<p>This folder will be used by your class teacher to post class reminders e.g. non-uniform day and assemblies will be hosted in this folder.</p> <p>This folder gathers all activities uploaded by the teacher.</p> <p>These folders are for classroom and remote learning.</p> <p>If your child is in school they will use these folders in school, with their teacher.</p> <p>If your child is isolating, they will use these folders for remote learning.</p> <p>All homework is in this folder. Here you will find chatter matters/ just talk, MyMaths, spellings and task homework.</p> <p>Activities linked to intervention groups will be in this folder.</p> <p>Your child's termly progress reports will be uploaded into this folder.</p>

<p>Will my child have face to face contact with their teacher?</p>	<p>Yes. Your child's teacher will use Showbie to video chat with children. Video chatting will be used for one to one chats with the teacher, for small groups or for whole class input.</p> <p>In years 4, 5 and 6 children will also use MS Teams to video chat.</p>
<p>Homework</p>	
<p>How do children access their homework?</p>	<p>All children's homework is in the 'homework' folder on Showbie. Here you will find: Just talk/chatter matters, spellings, MyMaths and task homework.</p> <p>These activities should be completed weekly if your child is in school or at home isolating.</p>
<p>How does my child submit homework to their teacher?</p>	<p>Homework can be submitted in a variety of ways.</p> <ul style="list-style-type: none"> • Children can complete the homework on paper and hand a physical copy in to the teacher (if they are not isolating), alternatively they can take a photograph of their work and upload it to Showbie. • They could also complete their homework on Showbie using the annotation tools. • They could use different software e.g. MS Word, PowerPoint etc and upload the document from their computer to Showbie.

Reports	
Where will I find my child's report?	Your child's report will be uploaded termly to the 'my progress' tab on Showbie. Here you will find termly reports, EAL plans, IEP and Wellcomm plans where applicable.
How do I access my child's report?	You can log in to Showbie using your child's log in details or you can login via your parent Showbie account.
Parent Showbie accounts	
What is a parent Showbie account?	<p>Parents can download the Showbie app for free or access the website through a web browser and create a free account. They can then use an individual parent code to link their account to their child's account.</p> <p>This gives the parent a read-only view of the child's account. They cannot edit or add comments to their child's account but it allows parents to stay informed and involved with their child's progress, challenges and accomplishments at school as well and see what homework has been set.</p>
Can more than one adult have access to a child's account?	Yes. Multiple adults can use the same code to gain parent access to their child's account using the same code.
How do I get a code?	You can request a code to join your child's Showbie account via your child's class teacher.
MS Teams	
What is MS Teams for?	MS Teams is used in years 4, 5 and 6 only and is an alternative method for video chatting with their teacher, either 1:1, in small groups or in a whole class or as a year group.
How do children access MS Teams?	Your child's password can be found in the front of your child's communication diary. If you cannot access your child's account please contact the school office to reset your child's account.
